lands under cultivation in S.No. 85 of Badamanvadi the Kaval, Petition from Shri Venkatramanappa & others of Agara Village &c

Serial No.

(1) Letter No. B3-M2-15/251/57, dated 6-3-1957 from the C.C.F informing that it is not desirable to allow cultivation in S.No. 85 of Badamanvadi the Kaval State Forest which was given by the Rev Authorities without the consultation of the Forest Deptt. and that he has already requested the Dy Commissioner Bangalore, to take immediate steps to cancel the grant.

Therefore the request of the applicants may be rejected. A draft reply to the applicants is put up for approval.

28/3/57

Please make suggestion to indicate the action taken by him in the matter and to take immediate action if no action has been taken so far.

(2) It has taken over 1½ years for the Deptt to send a reply & it lacks details. It is a case of grant to 13 of an area of 36 acres. Some of the grants are of 1930-31 & sagvali chits have been granted & assessment is being recovered. The Revenue Deptt has granted wrongly and if Forest Deptt has not taken care to detect encroachment of State Forest for so many years, the poor cultivators who might have spent for improvements cannot now be reasonably evicted. DEPUTY SECRETARY TO GOVT. NO 6307 16 JUN 1966 AGRICULTURE & FOREST DEPT.

Please see paras 6, 9 and 10 NF. The case relates to grant of lands of 39 Acres 50 Guntas in S.No.85 of Badamanavarthe Kaval State Forest, South Taluk, Bangalore for cultivation in the year 1929-30, by the Rev. authorities without consulting the Forest Department. At para 9 NF and 10 NF. the then Ministers for Revenue and Forests, ordered that this was a very serious irregularity, that information may be obtained on certain points whether the Revenue authority had the powers to dispose off the forest land and which revenue officers were responsible for this. It was also enquired why Forest officers did not find out this encroachment upon their forest

lands early. The Divisional Commissioner in his letter dated 5th January 1960 while enclosing a copy of the report of the D.C. Bangalore addressed to him, has opined that there does not seem to be any necessity to pursue the matter in view of the fact that the officials involved might have retired by now and as the question relates to 1929-30. This department file was referred to R.D. for remarks on the proposal of the Divisional Commissioner on 26-2-1960. R.D. have now returned the file after a lapse of more than six years requesting this department to let them know whether it is still necessary to pursue action on the various points raised in Para 9 NF. As the case relates to the years 1929-30 and as it is reported that most of these officers and officials might have since retired, the proposal of the Divisional Commissioner to drop the case ~~may be approved.~~ is for consideration.

Sir,

Sub:- Lands under culvitaion in S.NO.85 of Badamanavarthe Kaval-Petition. Dated Nil of Sri. Venkataramanappa and others of Agara village.

--

Ref:- Your Memo No.A.F.4207/F dated 12-8-55.

--

I write to state that the petitioners have been granted lands in S.No.85 of Badamanavarthe Kaval State Forest by the Revenue Authorities without the consultation of the forest department and the sagavali chits also have been issued by the Revenue authorities. This inadvertant grant was noticed by this department and the Deputy Commissioner Bangalore District has been moved to take immediate action to cancel the grant made by the Revenue authorities in the forest area. The Deputy Commissioner has not intimated the action taken by him in this behalf.

Since it is not desirable to allow cultivation within the State Forest area I am again requesting the Deputy Commissioner Bangalore District to take immediate action in the matter for cancelling the grant.

The Petition accompanies.

Yours faithfully,

To

Petitioners:

Residents of Halethathaguni,
hamlet of Agara village,
Kengeri Hobli, Bangalore South Taluk.

Sir,

S.No.85 of Badamanavarthekaval of Kengeri Hobli Bangalore South Taluk had been assigned to us several years as per D.D.Rules. Since then we have been paying the kandayam for the above land and have been in continuous possession and enjoyment of the same. The said survey Number has been resurveyed and newly numbered and separate katha and patta for the same have been also issued to us.

Now the Forest department has come forward with a statement that the above land belongs to the forest area. The Forest Guards also threaten us by saying that we should not enter upon the land which we have been in possession of several years and if we continue to do so that they would hand over us to the police. It is therefore quite unjust and unreasonable to claim this land as that of forest area. We therefore pray that the forest guards may kindly be instructed to keep away without interfering with our land which we have been given to by the Government more than 15 years back. and render us justice in the above circumstances.

We furnish below details of land assigned to us.

1. 12 acres of land assinged to the undersigned six members as per D.D. Rules 15/29-30 dated 10-3-30 from 30-31.
2. 26 acres of land assigned to other 5 members under D.D.Rules 32/37-38 dated 12-6-39 from 39-40.
3. 2 acres of land assigned to Kooresappa as per Special D.D. 79/41-42 from 43-44.

NOTIFICATION.

From

The Secretary to Government of Mysore,

Agriculture & Forest Departments.

To

The Divisional Commissioner,

Bangalore District.

Sir,

Sub:- Lands under cultivation in S.No.85 of Badamanavarthe Kaval - Petition dated Nil of Shri Venkataramappa and Others of Agara Village.

.....

I enclose a copy of letter No.(B3)M2-15-251/57 dated 6-3-1957 on the subject mentioned above received from the Chief Conservator of Forests and connected papers. It is seen that 36 acres of land out of Badamanavarthe Kaval, have been granted to 13 persons for cultivation. Some of them were granted as far back as 1930-31 and they are reported to have received Saguvali Chits too. The petitioners say that the lands are in their possession since then. The petitioners might have spent for improvement of these lands and hence for no fault of petitioners they cannot reasonably be ousted from their lands. Under the circumstances, you are requested to inspect the lands early with the Forest and Revenue authorities and submit a report to Government in this connection and till then the action to oust the settlers may be stayed.

Yours faithfully,

sd/-

Petitioners:

Residents of Halethathaguni, hamlet of Agara Village Kengeri Hobli, Bangalore South Taluk.

....

S.No.85 of Badamanavarthekaval of Kengeri Hobli, Bangalore South Taluk had been assigned to us several years as per D.D. Rules. Since then we have been paying the kandayam for the above land and have been in continuous possession and enjoyment of the same. The said survey Number has been resurveyed and newly numbered and separate katha and patta for the same have been also issued to us.

Now the Forest Department has come forward with a statement that the above land belongs to the forest area. The Forest Guards also threaten us by saying that we should not enter upon the land which we have been in possession of several years and if we continue to do so that they would hand over us to the police. It is therefore quite unjust and unreasonable to claim this land as that of forest area. We therefore pray that the forest guards may kindly be instructed to keep away without interfering with our land which we have been given to by the Government more than 15 years back, and render us justice in the above circumstances.

We furnish below details of land assigned to us.

.....

1. 12 acres of land assigned to the undersigned six members as per D.D. Rules 15/29-30 dated 10-3-30 from 30-31.
2. 20 acres of land assigned to other 5 members under D.D. Rules 32/37-38 dated 12-6-39 from 39-40.
3. 2 acres of land assigned to Kooresappa as per Special D.D. 79/41-42 from 43-44.
4. 4 acres to Gare Muniappa under D.D. rules from 49-50.

I write to state that the petitioners have been granted lands in S.No.85 of Badamanavarthe Kaval State Forest by the Revenue Authorities without the consultation of the forest department and the sagavali chits also have been issued by the Revenue authori This inadvertant grant was noticed by this department and the Depu Commissioner, Bangalore District has been moved to take immediate action to cancel the grant made by the Revenue authorities in the forest area. The Deputy Commissioner has not intimated the action taken by him in this behalf.

Since it is not desirable to allow cultivation within the State Forest area I am again requesting the Deputy Commissioner, Bangalore District to take immediate action in the matter for cancelling the grant.

The petition accompanies.

Sir,

Subject:- Lands under cultivation in S.No.85 of Badamanavarthe Kaval - Petition dated nil of Sri. Venkataramanappa and others of Agara village, Bangalore South Taluk.

Reference: Your letter No. A.F.D.77 Dar.57 dated 30-4-1957.

--

The Divisional Commissioner Sri. G.N.Nagaraja Rao, I.A.S. inspected the spot in company with the District Forest Officer, Bangalore District and the Amildar, Bangalore South Taluk on 21-5-57. A sketch was received from the Forest Department and another from the Revenue Department, but as there was variation both in location of the areas and the extent involved, the sketch of the Forest Department was sent to the Amildar for verification and report. The sketch prepared by the Taluk Surveyor and received from the Amildar is enclosed herewith. It is seen therefrom that a total extent of 57 acres 14 guntas is under actual occupation as against 53 acres 33 guntas of land granted and that out of this 57 acres 14 guntas, 13 acres 26 guntas are within the forest area and 38 acres 16 guntas with in 110 yards from the Forest line. The District Forest Officer, Bangalore District, in his letter No. 182 dated 27-5-57 (copy enclosed) has reported to the Conservator of Forests, Bellary that the lands granted by the Revenue Department may be treated as enclosure etc., But nothing has been heard so far from the Conservator of Forests in this behalf.

In the circumstances, I request that orders of Government may be obtained for the removal of this area viz., 57 acres 14 guntas from the State Forest in further consultation with the Chief Conservator of Forests.

The connected records accompany for reference and return.

Yours faithfully,

Sub:-Lands under cultivation in S.No.85 of Badamanavarthe Kaval petition dated nil from Sri Venkataramanappa and others of Agra village, Bangalore South Taluk.

Ref:-Your memo No.(B3) M2- 15-251/51 dated 20-6-57 and subsequent reminders.

With reference to the above I write to state as follows:-

1. The Revenue authorities have no powers to dispose of lands in State forests without consultation of the Department and without obtaining proper Govt. orders to dispose of the lands. It is reported by the Range Officer, Bangalore that the lands in question are stated by the Amildar, Bangalore south Taluk in his letter No.26/ dated 5-1-57 (copy submitted for kind perusal) have been granted in pursuance of order No.B4-D. 65/38 dated 26-4-39 of the Sub Division Officer, Bangalore.

2. The cultivation in the said areas were noticed by the Dept. during 1952-53 and action taken against the parties. But they represented that the lands have been regularly granted to them by the Revenue Department and saguvali chits issued. Since the D' line of the St.Ft. was also stated to be not quite distinct ~~xx~~ resurvey of the same with reference to village maps and Govt. notification was arranged and completed. After the resurvey of the St.Ft. as above the lands under cultivation were found to be definitely within the St.Ft. limits and the Revenue authorities addressed to cancel all grants mady by them, in the absence of sketches prepared by the Revenue Department at the time of grant, it is doubtful that the parties have been cultivating the same lands from the year of grant ie.e 1939 as this was never noticed prior to 1952-53. Out of total extent of 221 acres and 2 guntas of gomal S.No.85 of Badamanavarthe Kaval only an extent of 119 acres is included in the St.Ft. and an extent of 102-2 acres reamin as gomal of the village. Probably lands might have been granted to the parties in this extent of 102-2 acres remaining as gomal by the Revenue Department and they might have unlawfully occupied the present area and persist that they were gratned the same area ~~xxxxx~~ and are cultivating the same from the year of grant. The Amildar, Bangalore South Taluk who was requested to forward the sketch prepared by the Revenue Department at the time of grant states in his letter dated 5-1-57 that the map is not available in his office. Since the matter was under correspondence and they are holding saguvali chits no further action to evict them could be taken.

3. The delay in disposing of the reference is mainly due to the fact that the matter was under correspondence with the Revenue Department who were requested to send the sketch of the area prepared at the time of grant and a report submitted as soon as the Amildar, Bangalore South Taluk stated that the sketch is not available in his office. The Deputy Commissioner may kindly be addressed to take suitable action against the officials who built up drakhast records.

Sir,

I enclose a copy of letter No.R.2846, dated 20th January, 1959 of the Divisional Forest Officer, Bangalore, received in No.M2-122-287/57, dated 29-1-1959 from the Conservator of Forests, Bellary Circle, along with the sketch showing the area under unauthorised cultivation for kind perusal. It can be seen therefrom that the area irregularly granted by the Revenue Department within the forest as per the survey conducted during 1954, is 32.50 acres and not 18 acres 28 guntas only as reported to Government by the Divisional Commissioner, Bangalore. In addition to the above area, further areas have been granted by the Revenue Department subsequent to 1954, which has not yet been surveyed. Since the area of 32.50 acres disposed of by the Revenue Department within the State Forest has been under cultivation for a long time, I have no objection to release the same. As regards the areas granted by the Revenue Department subsequent to 1954, Revenue Department may kindly be addressed to cancel the grant as it is not desirable to reduce the forest area which is already very low in Bangalore District.

Orders of Government may kindly be issued, early.

The sketch may kindly be returned when done with.

Yours faithfully,

Sir,

Sub;- Lands under cultivation in S.No. 85 and 94 of Badamanavarthe kaval.

Ref;- Your No. M.122-287/57/dt. 18-6-58.

.....

With reference to the above, I write to state as follows;-

The State Forest in question has been regularly re-surveyed during 1954 by the Forest Surveyor with reference to village maps and Govt notification. This resurvey ~~requested~~ resulted in location of unauthorised cultivation in an extent of 50-50 acres in the whole St.Ft. as follows;-

1).	S.No. 85	= 23-00.	Acres.
2).	S.No. 94	= 9-50	"
3).	S.No. 24.	= 2-00	"
4).	S.No. 10.	= 10-00	"
5).	S.No. 4.	= 6-00.	"
	Total	50-50	"

Subsequently lands under cultivation in S.No. 85 and 94 ie. 23 acres in S.No. 85 and 9-50 acres in S.No. 94 were verified to have been granted by the Revenue Department and the rest of the areas in S.Nos. 24,10 and 4 were found to be wholly unauthorised (16 acres). The unauthorised cultivators in the matter 3 S.Nos are reported to have been evicte Thus the total extent of irregular grants made by the Revenue Department as per resurvey is 32-50 acres as follows.

S.No. 85	= 23-00	acres.
S.No. 94.	= 9-50	"

This Department can only rely upon the result of the resurvey conducted by the Forest Surveyor and the figures furnished by the Revenue Department cannot be taken into consideration as even the grants made outside the St.Ft. limits and in the area remaining for the village in the S.Nos might have been clubbed. Further, there is definite confusion with regards to areas granted and the Revenue Department has not furnished particulars at all and state that the records built up at the time of grant are not available. When the resurvey has definitely resulted in the location of grants

(57)

made to the effect of 32-50 acres by the Revenue Department within the St.Ft. limits both in S.Nos 85 and 94, how the Divisional Commissioner in his letter No.C.1. P.R. I.C. 364 -57/58/dt. 23-7-58 has stated that only 18 acres and 28 guntas are within the St.Ft. limits cannot be made out.

The Range officer, Bangalore reports now that in addition to the existing grants in S.No. 85 and 94 further grants have also been made by the Revenue Department adjacent to the areas previously granted and since no survey in respect of this has been done the exact extent of these further grants cannot be furnished.

Regarding extent of cultivation within 110 yards margin of the St.Ft. the Range officer reports that cultivation exists within 110 yards margin throughout the St.Ft. limits and since no survey inrespect of this also has been done the extent cannot be furnished.

Copy of the sketch of Badamanavarthe Kaval St.Ft. furnishing full particulars is herewith submitted for kind perusal. Another copy of the same has been submitted to the Chief Conservator of Forests direct in reply to his No. B3-63-613/57 dt. 31-5-58 and your No. M2-213-599/57-58 dt. 1-8-58 regarding grant of lands in Badamanavarthe Kaval to Dr Roerich for the purpose of Linaloe plantation.
